DIRECTOR’S WELCOME

The Sault Area Chamber of Commerce mission is to provide leadership, support, and opportunities encouraging our business community to develop, grow and prosper.

Our Chamber members and economic partners continue to work on improving the quality of life in our area. We support our members with promotion, education, and legislative advocacy. The hard work of our chamber members is making a difference today and for future generations.

This annual Chamber Membership Directory showcases the commitment of our chamber members to the economy and visibility of our area. We encourage our community and visitors to take advantage of this directory by supporting our chamber members.

Please use this directory for business referrals, chamber programs, and community information.

Sincerely,

Tony Haller,
Executive Director
Sault Area Chamber of Commerce

What We Do
Economic Luncheon – The annual Economic Luncheon started off as an idea that has grown dramatically over the last few years. There are now two economic luncheons a year, one in the spring and one in the fall. The Luncheon features speakers that highlight different items that impact the local and regional economy. Taking place over the lunch hour, the Economic Luncheon allows business owners to attend or businesses to send employees to attend without taking much time out of the day. Attendees are able to take in valuable information to help improve their local business and community.

Annual Meeting & Awards Banquet – The annual Chamber banquet features excellent food, great company, a formal dinner setting, a recap of the previous year’s happenings, a look into the upcoming year and completed with educational and business awards. This annual event provides the Chamber an opportunity to thank Chamber members for their support with awards, networking, and a silent auction. Take this time to see a year in review of your Chamber.

Independence Day Parade – The Chamber of Commerce, along with the CVB, DDA and Sault Events coordinates the Independence Day Parade that takes place on the Fourth of July at 7 p.m. through the downtown area of Sault Ste. Marie. Bringing thousands out to enjoy the music, festive floats and fun events, the parade focuses the day on honoring our current and past servicemen and women as we celebrate the history of Independence of the United States of America.

Chamber Challenge Golf Outing – Golfing in the Soo only lasts a couple of months so take the opportunity to do so and support your Chamber early in the spring! This annual fundraiser is a great networking event that combines fun, great food and great prizes.

Business After 5 – Each month a Business After 5 is hosted at a current Chamber Member Business. Excellent food and priceless networking take place allowing both Chamber Members and community members in business learn more about what is happening right in their own community. Taking place from 5–7 p.m. every third Thursday of most months, the Chamber promotes this event to all who are interested in learning more about local businesses.

Bridgewalk & Bicycle Parade – In coordination with Engineers Day, the Bridgewalk allows both United States and Canadian citizens the opportunity to walk across the International Bridge that connects the two Sault Ste. Marie’s. The morning begins with a welcome as the bicycle parade takes off across the bridge. Upon the return of cyclers, walkers take their turn to begin their walk at Lake Superior State University Norris Center in Sault Ste. Marie, MI and make their way across the bridge to Sault Ste. Marie, Ontario with transportation waiting to bring them back into the United States. Enjoy music, a hot breakfast and shirts for purchase, along with free waters and a fun atmosphere to start your day!
The Chamber of Commerce Ambassadors help celebrate special occasions and grand openings for any Chamber member through a commemorative Ribbon Cutting Ceremony. This includes the Ambassadors supporting the local businesses on their achievements while the business owner or family cuts the red ribbon with a formal pair of red scissors.

Ambassadors Are:

Made up of volunteers from Chamber member businesses, the Ambassadors are a fun, energetic and supportive group for all things Chamber and community. They are the first there for a ribbon cutting and the first to sign up for volunteer opportunities. Their efforts in many Chamber events and activities are greatly appreciated and recognized by not only the Chamber, but the community. Take time to talk with an Ambassador or the Chamber to learn more about becoming an Ambassador.

As we continue to work for our local businesses, the Chamber of Commerce is also looking to create a culture of support throughout the community. One way your business can help the Chamber of Commerce work toward this goal is by attending these events organized by the Chamber of Commerce with the help of other local entities. These events would not be possible without your support. We hope to see you there!

Downtown Rehabilitation

415 Ashmun Street
Arfstrom’s Pharmacy

Arfstrom Pharmacy restored its headquarters located on the corner of Ashmun Street and Spruce Street. It is home to more than 15 employees and serves as an anchor business Downtown.

105 W. Portage Avenue
Alpha Bar

The Kristelis family constructed, owned and operated businesses in this building for 100 years; the Alpha Bar and neighboring Zorba’s Restaurant have been their mainstay for much of that time. The building was restored to historic standards this past year and is a favorite location for food, drinks and great views of Downtown.
Over the past few years, Chamber members in downtown Sault Ste. Marie have begun investing in the rehabilitation of their buildings and storefronts, spurring economic development and job growth in the heart of the City. The Sault Area Chamber of Commerce is proud of its member businesses that invest in the Community. Here are some of the examples of recent projects.

411 W. PORTAGE AVENUE

Built more than 100 years ago, this building was originally home to Crisp Laundry, an industrial laundry that served ships next to the Soo Locks. Crews would throw their laundry overboard and staff would have it ready for them next time they passed by. The building has been lovingly restored by owner Carol McClellan at great expense. The building is future home to two retail spaces and upper floor strategies are still being considered.

539 ASHMUN STREET

AUSTIN’S CIGAR LOUNGE

Craig Cooper and his family gutted and rehabilited the interiors of two retail spaces located in the former Vanderhook Building on Ashmun Street. This building was originally home to a furniture store and a mortuary, and Maurice’s rented space here in the 1990s. Craig Cooper, Kevin Cooper and family invested more than $400,000 to remodel and open a Austin’s Cigar Lounge, and remodeled a second space next door, which houses Crooked Music.
